Sloping Thoughts

The Astronomy Of Love

I'm coming
From the stars
Piece by piece
One layer at a time
Eventually
I'm ready
As a person
To humanity
To equality
To you
To love
I'm shining my own light
If you see me
When you look at the sky
Come to me
And we form
Our own galaxy.

Everything Is Near Me

I looked long too far
I didn't see the details
I dreamed something
Somewhere
I was inside my story book
I believed
In the images of the mind
However
The reality was
Close to me
Under my eyes
I was a long time blind
But now I can see
You
There
Near
Where you have been
All the time
My whole life.

Empathy Is The Responsibility

I live
That's enough for me
But
If I live alone
That's not enough
For anyone else
Alone you don't see
The others
Alone you don't know
The others
Alone you don't understand
Empathy
No responsibility
For any other ones
Empathy
Is the responsibility.

Dialog

I am the one
You're the something else
Infinite and different
I see in you
And I see otherwise

The world is here
Thou art more
I need your touch
Create my world.

Equation

When I am
Equally
I am
Alone

When I am many
I am
The one.

Blessed Fist

I'm kneeling deep
Father
Son
Holy Spirit

In my fist
Lives the truth
I'm a servant of the truth

I'm lost
The truth of mine
Is just a servant's truth.

I Enjoy The Silence

I've been living a long time
Many bends
Many upphills
I have learned
Piece by piece
My life

Today I understand
I'm not in a hurry
To anything
Time is always there
I enjoy
The silence
Inside me.

The Fatal Coincidence

I sat on the bed
I was alone
I looked at the pictures
I was silent
Than dead
Suddenly
You were in it
Than emptiness
Would have been fulfilled
In one nanosecond
I felt
Like I was alive
By chance
Protected by destiny.

The Feeling Of Freedom

Clock in hand
I'm breathing
I look forward to tomorrow
I close my eyes
I'm scared

When the door opens
I walk out
When I walk
I finally understand

Eureka!

Fix Me, I'll Fix You

I have bugs in me
I'm not perfect
I don't know everything
I want to learn myself
Fix me
Then
At the same time
I'll fix you
Together
We are perfect.

Everyone thinks - Sometimes thinking is difficult, sometimes it's easy, sometimes it's sloping, sometimes it's impossible.
