Forest

an eyeblink earlier

Liminality

*her sensor-adaptive fingerprint her pagan codex
Emily my guide gliding ahead of me along the dark corridors
enlightening
the growl of straining motors as it started to open – –
"There may be hope, captain."
"Yes. I'll go quietly", I said,
and turned and touched the alien artifact as I*

*lost me again. Minutes and seconds became
units of time*

Mikael Brygger, born 1975, is a Finnish poet and poetry activist, and a member of editorial board of the poetry magazine Tuli&Savu. Emily is his first book of poetry.
