## #mentalimages\_vol1

Let these imaginative mental images fly you to the fantastic world of colouring! This Mental Images Colouring Book is a collection of amazing intuitive drawings made by Päivi Vesala, a Vedic Art artist. The book is a fascinating mix of motifs both abstract and familiar. View the pictures in your unique way and colour them to match the atmosphere of your very own mental images. The pictures are printed on one side of the paper only.

"Drawings of the book have everything that I could wish for.  
Simplicity and complicated intricacy. Geometrics and real animals.  
Exquisite mandalas and patterns.

I love this book!"

*Suzanne, Mallorca*
