*Poem #1*

He laughed with me  
going to the area of Agia  
going to stand by me  
in that I would like to be  
my wife by my side  
I would always  
want new vaccines  
you just love summer  
at heart  
he is my only step  
you my princess

*Poem #2*

The wolf throne  
after my heart,  
my heart  
you're the Sultans,  
my shining star  
in the night sky,  
you're born  
in the morning sun  
to the soul

*Poem #3*

Wet glass eyes midnight  
when I say  
maybe in revenue,  
or have a song  
telling him  
we know and love  
you to death

*Poem #4*

Neither will I give up on you,  
of what my thoughts  
Why do I close my eyes  
while living with your dream  
believe you life  
for what he gave me  
If you mean to my life  
I love you for giving

*Poem #5*

What can I give you,  
    what my dream,  
    I dream of living  
    with my eyes shut  
what, for you believe  
that life has given me,  
    I love you  
if you give meaning  
    to my life
