MEGA

I am Mega.

My Dad's the Alpha.

My Mom's the Omega.

I am a Gem.

They're the Jewels; stars and the
universe.

UNDER JUPITERS RULE

Walking under the rule of Jupiter;
covering life like it's always
November.

Living in the middle of death and
flying arrows.

When I saw a shooting star
I made a wish, an opinion, belief
and an idea.

Waiting for the proposal;
possibility, even a suggestion.

FICTION MADE REALITY

All those fantasies
Adventures in the wild

Heroes defeating villains

What was once make-belief
now had won

All that fun.

Fiction made reality
by a wish of the one

Like Miyazaki had a son

The second run
now has begun.

OTHERWORLDLY COLOURS

In a blink of an eye
Two or three heartbeats
And switch of a light

Otherworldly colours so bright,
might I even be frighten the
height.

All I need is a breath of fresh air
You know, a way somewhere.

**I TAKE A BATH WITH FEAR.
ALL OF THEM FIERY BUBBLES
POPPING AGAINST MY SKIN.
DON'T PANIC.**
