HELL'S KITCHEN

English edition

I would like to express my heartfelt gratitude to all those who have stood beside me throughout the creation of this book. Each word and each page has been shaped, directly or indirectly, by the encouragement, guidance, and kindness I have received along the way.

This story could not have come into existence without the people who offered their time, their wisdom, and their unwavering belief in me. To friends, family, and mentors alike—your support has been the foundation on which these pages were built.

It is to you that I owe the very possibility of this journey, and it is with the deepest appreciation that I dedicate these words of thanks.

Preface

A life retold as an adventure.

From childhood to old age, this fictional autobiography traces a journey filled with daring experiences and moments of profound transformation. The protagonist's growth—both physical and spiritual—unfolds through extraordinary deeds and unforgettable encounters.

Spanning two continents, the story begins in Europe and carries the reader across the Atlantic to the United States, where the epic journey finds its final destination.

I am a Baobab
Head in the sand
Roots toward the sky
Am I even here?

A life like no other told as an adventure.
From childhood dreams to the trials of old age, this fictional
autobiography follows a path of daring choices, inner growth,
and unforgettable journeys. Across Europe and America, the
story unfolds with intensity, leading to a powerful and
unexpected conclusion.
Spanning two continents, the story begins in Europe and
carries the reader across the Atlantic to the United States,
where the epic
journey finds its final destination.
