Some illustrations created with the assistance of AI tools.

A whimsical illustration featuring a young girl with short, wavy red hair, wearing a pink dress with a full skirt. She is shown from the side, with her arms outstretched as if reaching for something. To her left, a small, fluffy black and tan dog is running towards her. The background is a soft, dreamy gradient of orange and pink, filled with numerous small, glowing stars and larger, stylized leaves falling from above. The overall atmosphere is magical and gentle.

# Fairy Thread

Dedicated to:

My Everything —

so you'll always remember who you are.

Never alone.

Never too much.

Always loved.

Always belonging right here.

*Sarah Kaniina*

*Once upon a  
sunset pink sky.  
began a story of love  
and belonging.*

*From its pages  
glowing the truth,  
"You are loved by  
the ones before you.  
You were always chosen."*

*Snowflakes twirled  
like magical fairy dust,  
promising,  
"You are never alone."*

Flowers bloomed into life,  
smelling like dreams  
and candy,  
dressing in pink,  
"The world is waking,  
come wonder and play."

A GENTLE TALE OF LOVE THAT NEVER FADES.  
FAIRY THREAD REMINDS US THAT OUR  
INVISIBLE CONNECTIONS KEEP GLOWING —  
NO MATTER THE DISTANCE.
